

Amendments to the Claims:

This listing of claims replaces all prior versions and listings of claims in the application:

Listing of Claims:

1. – 25. (Cancelled).
26. (Currently amended) A kit for making a nutritional supplement comprising:
a dietary supplement product, wherein the dietary supplement product is a powder comprising one or more of a protein, peptide, amino acid, carbohydrate, electrolyte, herb, or combination thereof; and
at least one additive, wherein the additive is packaged separately from the dietary supplement product.
27. (Original) The kit of claim 26, wherein the at least one additive when combined with the dietary supplement product, at a time after the manufacture of both the dietary supplement product and the additive, alters a characteristic of the dietary supplement product.
28. (Previously presented) The kit of claim 26, wherein the additive is a flavorant.
29. (Original) The kit of claim 28, wherein the flavorant is selected from a group consisting of vanilla, chocolate, butterscotch, peanut butter, mocha, strawberry, banana, peach, orange, cherry, blueberry, raspberry, mango, apple, pineapple, grape, mint, caramel, cinnamon and combinations thereof.
30. (Cancelled).

31. (Currently amended) The kit of claim 26, wherein the additive comprises a material selected from the group consisting of proteins, peptide, amino acids, carbohydrates, electrolytes, herbs, ~~nutraceuticals, nutrients, pharmaceuticals,~~ and combinations thereof.

32. (Cancelled).

33. (Previously presented) The kit of claim 26, wherein the kit comprises a plurality of individually packaged additives.

34. (Original) The kit of claim 33, wherein the dietary supplement product is apportionable into single servings and the number of individually packaged additives is equal to at least the number of single servings of the dietary supplement product.

35. – 45. (Cancelled).

46. (Previously presented) The kit of claim 26, wherein the dietary supplement product is contained in a first package and the additive package is held adjacent to the dietary supplement product package.

47. (Previously presented) The kit of claim 26, wherein the dietary supplement product and the at least one additive package are combined into one package.

48. (Previously presented) The kit of claim 26, wherein the dietary supplement product is contained in a package, the package comprising a holder adapted to hold the at least one additive package.

49. (Previously presented) The kit of claim 48, wherein the holder is integral with the dietary supplement product package.
